BACKGROUND

Japa Company Limited is a locally owned business that over a few years have gained a reputation in installations, service, maintenance, and supplies of a wide range of generators, pumps (both surface and borehole), solar pumping equipment, and agricultural equipment in Kenya.

This company was incorporated on the **27th of April 2015**, as a limited company and was given a certificate of registration no.**CPR/2015/187806**

From a very humble beginning, Japa has grown to be a household name in power and water solutions

Our business is centered on three concepts, which are mainly **SALES, INSTALLATION, SERVICE, AND SPARE PARTS**. By offering quality products at affordable prices and good after-sales service through genuine parts and reliable service.
